He had been at home for two or three months, and at the time of his death was with his wife and children at the depot-for Seymour. He had taken his seat in the cars of the Jeffersonville train, when he became faint, and was carried from thence to the ladies' room of the depot, where in a few moments he breathed his last. His wife and three or four interesting children were around him. It was a sad and affecting sight to see the husband and father thus suddenly snatched from the weeping group.

Dr. Kraut, we understand, was an able surgeon, who had an experience of over twenty years' army practice in Europe. He was buried last evening from the Palmer House, the Harugary Society (German) and a large concourse of citizens accompanying the remains to their final resting-place.

From Middletown. MIDDLETOWN, VA., June 28.—Gen. Fremont having been superseded in command of his department by the order appointing Gen. Pope, his inferior in rank, over the army in Virginia, and having asked leave of absence has at his own request been relieved from duty. The command is turned over to Brig. Gen. Schenck, the next highest officer in rank, by order of the President, and Gen. Fremont leaves to morrow for New York. Many of his officers will go with him. His resignation is not generally known in camp, but will be announced to-morrow by a general

LATER-Gen. Fremont with his personal staff and an escort of cavalry left camp at 8 o'clock this morning. After visiting Gens. Banks and Sigel he dismissed most of his staff and with the rest rode on to Martinsburg. No opportunity was given for demonstration

but there is a general regret and indignation throughout the camp.

From Washington.

WASHINGTON, June 28 .- The Senate has adopted Mr. Clark's motion to substitute the bill reported by its committee from the House confiscation bill by a vote of 21 for and 17 against it. The meeting according to the call, extended to conservative members, was held in the Hall of the House of Representatives this morning.

A series of resolutions was submitted and adopted, declaring that they met in no party spirit, that the war should not be prosecuted any further than the suppression of rebellion and that States when the rebellion is suppressed, should repossess and exercise the rights secured them by the Constitution. The meeting reaffirmed the Crittenden resolutions. A discussion took place during which avowals were made that while the rebellion leaders should be severely punished an enlightened policy towards the South-ern masses should be indulged &c. Henry Brichmaster, from Kansas, was to-day

confirmed by the Senate as Brigadier General.

From Memphis. MEMPHIS, June 25 .- A train on the Memphis and Ohio railroad was captured at noon to-day, near Germantown, fourteen miles north of here. Col. Prinke and Major Sharp, railroad superintend ents, Col. Kinney, and a company of the 56th Ohio regiment, together with seventy-five or eighty mule teams, with provender, was captured. Ten Federals were killed in the skirmish. Cant. McMichael, who was captured at Shiloh and lately returned to us, is again a prisoner. This train consisted of the only engine, and all the
